- https://www.tiktok.com/@linechu_ (alt)

Steam

- <https://steamcommunity.com/id/LineChu/>

VRC

- <https://vrchat.com/home/user/LineChu>

Twitch

- <https://www.twitch.tv/linechu>

Note: These are all the accounts I have for these platforms. I have other accounts for other platforms, like Epic Games, League, or Tarkov, but these are all the platforms that actually matter. Again, for the platforms listed, these are MY ONLY ACCOUNTS; all other accounts that claim to be me are not me.

If you are unsure if someone is me, make me prove it, either via Discord, Twitter, or somewhere else where I am verified.
